NATIONAL BOARD OF EXAMINATIONS

ANNEXURE 'A' (i)

Screening Test Regulations, 2002

(Published in Part III, Section 4 of the Gazette of India
Extra-ordinary issue dated the 18th February, 2002)

MEDICAL COUNCIL OF INDIA NOTIFICATION

New Delhi dated the 13th February, 2002

No. MCI-203 (9)/2001-Regn/

In exercise of the powers conferred by section 33 of the Indian Medical Council Act, 1956 (102 of 1956), the Medical Council of India, with the previous sanction of the Central Government, hereby makes the following regulations, namely:-

1. Short title and commencement –
 - (1) These regulations may be called the Screening Test Regulations, 2002.
 - (2) They shall come into force on the date of their publication in the Official Gazette.
2. Definitions:- In these Regulations, unless the context otherwise requires:
 - a. "Act" means the Indian Medical Council Act, 1956 (102 of 1956);
 - b. "Council" means the Medical Council of India constituted under section 3 of the Act;
 - c. "Permanent Registration" means registration for the purpose of enrolment on any State Medical Register or Indian Medical Register after obtaining the Primary Medical qualification followed by completion of such practical training as prescribed either in India or abroad as per the provisions of the Act;
 - d. "Prescribed" means prescribed by regulations made under this Act;
 - e. "Prescribed Authority" means a medical institution or any other examining body authorized by the Central Government/Medical Council of India to conduct Screening Test.
 - f. "Primary Medical qualification" means a medical qualification awarded by any medical institution outside India which is a recognized qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated and which is equivalent to MBBS in India;
 - g. "Provisional Registration" means provisional registration in a State Medical Register or Indian Medical Register for the purpose of undergoing practical training in India as prescribed and for no other purpose by an Indian citizen possessing any primary medical qualification but has not undergone such practical training after obtaining that qualification as may be required by the rules or regulations in force in the country granting the qualification;

- h. “Qualifying examination” means the examination to be qualified to become eligible for admission to MBBS course in India as prescribed in the Graduate Medical Education Regulations, 1997.
- i. “Registration” means either Provisional Registration or Permanent Registration.
3. An Indian citizen possessing a primary medical qualification awarded by any medical institution outside India who is desirous of getting provisional or permanent registration with the Medical Council of India or any State Medical Council on or after 15.03.2002 shall have to qualify a screening test conducted by the prescribed authority for that purpose as per the provisions of section 13 of the Act: Provided that a person seeking permanent registration shall not have to qualify the screening test if he/she had already qualified the same before getting his/her provisional registration.
4. **Eligibility Criteria:** No person shall be allowed to appear in the screening test unless:
1. he/she is a citizen of India and possesses any primary medical qualification, either whose name and the institution awarding it are included in the World Directory of Medical Schools, published by the World Health Organisation; or which is confirmed by the Indian Embassy concerned to be a recognised qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated;
 2. he/she had obtained ‘Eligibility Certificate’ from the Medical Council of India as per the ‘Eligibility Requirement for taking admission in an undergraduate medical course in a Foreign Medical Institution Regulations, 2002’. This requirement shall not be necessary in respect of Indian citizens who have acquired the medical qualifications from foreign medical institutions or have obtained admission in foreign medical institution before 15th March, 2002.
 3. The purpose of conducting the screening test shall be only to determine the eligibility or otherwise of a candidate for his or her registration with the Medical Council of India or any State Medical Council and qualifying the same shall not confer any other right, whatsoever, on a candidate.
 4. The details regarding the Scheme for conducting the screening test and the syllabus of the test shall be announced by the Medical Council of India from time to time for the information of the candidates.
 5. The screening test shall be conducted twice every year as per the Schedule of examination announced by the Prescribed Authority. The procedure of conducting the test shall be in accordance with the Scheme announced by the Medical Council of India in this regard.
 6. There shall be three papers of multiple choice questions in Pre-Clinical, Para-Clinical and Clinical Medicine and its allied subjects including Obstetrics and Gynaecology. The language of the test shall be English. The test for each paper will be of three hours duration.

NATIONAL BOARD OF EXAMINATIONS

7. A candidate shall be declared as having passed only if he/she obtains a minimum of 50% (fifty percent) marks in each paper separately. The minimum qualifying marks shall apply to all categories of candidates without exception.
8. A candidate may avail of maximum three chances to appear and pass the test. Actual appearance at the test will constitute an attempt. If he/she does not qualify even in his/her 3rd appearance in the test, the candidate will not be eligible for registration by the Council or by any State Medical Council in India.
9. The Prescribed Authority shall intimate the result of the Screening Test to the candidates as well as to the Secretary, Medical Council of India and the State Medical Councils. Subject: Intimation regarding holding of Screening Test for Indian Citizens holding Foreign Medical Qualifications and issue of Eligibility Certificate to Indian candidates going abroad for joining undergraduate medical course in a foreign medical institution - Reg.

Sir,

This is to bring to your kind notice that the Indian Medical Council Act, 1956 has been amended by the Indian Medical Council (Amendment) Act, 2001 under which Regulations have been approved by the Central Govt. and notified in the Gazette of India which provide broadly for the following:

1. No new primary medical qualification (equivalent to MBBS in India) granted by any medical institution outside India shall be included in the Schedules to the Indian Medical Council Act after coming into force of the Indian Medical Council (Amendment) Act, 2001 i.e. 3rd June - 2014, 2001.
2. A citizen of India possessing a primary medical qualification as defined in the enclosed Screening Test Regulations, 2002 {para 2(f)} granted by any medical institution in any country outside India and who is desirous of getting provisional or permanent registration with the Medical Council of India or any State Medical Council on or after the 15th March, 2002 shall have to qualify a screening test conducted by the prescribed authority.
3. An Indian citizen seeking admission in a foreign medical institution for obtaining a primary medical qualification as defined in the enclosed Screening Test Regulations, 2002 {para 2(f)} on or after the 15th March, 2002 shall be eligible to appear in the Screening Test only if he possesses the eligibility qualification as per the regulations framed by the MCI (for admission to MBBS course in India) – Extracts of Graduate Medical Education Regulations are enclosed for reference.
4. Any person who is desirous of joining an undergraduate medical course in any foreign medical institution on or after 15th March, 2002 should approach the Medical Council of India, New Delhi for issue of Eligibility Certificate for that purpose as per the Eligibility Requirement for Taking Admission in an Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002. All such candidates will be allowed to appear in the screening test only if they produce the eligibility certificate, after completion of the medical course abroad and if they are eligible to sit for the screening test as prescribed in the Screening Test Regulations, 2002.

MEDICAL COUNCIL OF INDIA

No.MCI-203(1)(Gen.)/2013-Regn./59243

Dated: 24.02.2014

To,

The Registrar,

All State Medical Councils of India.

Subject: Enrolment of Medical Practitioners holding recognized medical qualifications under the section 13(4A) of the Indian Medical Council Act, 1956 on State Medical Registers.

Sir/Madam,

This is in continuation of this office circular date 15/9/1981, 02/05/1985, 09/02/1987, 07/1998 and 04/06/2003 on the above subject.

2. Your kind attention is invited to section 13(4A) and 13 (4B) of the Indian Medical Council Act, 1956 that were included in the IMC Act, 1956 by the Indian Medical Council (Amendment) Act, 2001. These provisions permit an Indian citizen/overseas citizen of India to obtain primary medical qualification (MBBS or its equivalent) from any country outside India which is recognized for enrolment as medical practitioner in that country. Such persons are required to conform to the norms for admission in MBBS course in India as laid down in the Graduate Medical Education Regulation, 1997. For the purpose of enrolment on medical register in India such person is required to qualify the Screening Test conducted by the National Board of Examination. Once such person qualifies the Screening Test, the primary medical qualification obtained by such person is deemed to be the recognized medical qualification for the purposes of the IMC Act for that person. Registration to practice medicine as a registered medical practitioner, as postulated under the scheme of the Indian Medical Council Act, 1956, is with the State Medical Council and to be made in the State Medical Register. Consequently, section 15 of the IMC Act confers on such person the right for enrolment on the State Medical Register and by the State Medical Council upon satisfaction of fulfillment of all the requirements by any applicant, for seeking such registration. Similarly, grant of provisional registration by the State Medical Council is provided under section 25 (I) of the Indian Medical Council Act. 1956.

3. Accordingly, this is to bring to the attention of all the concerned that the holders of primary medical qualifications (MBBS or its equivalent) from the any country outside India, which is recognized for enrolment as medical practitioner in that country and who have qualified the Screening Test conducted by the National Board of Examination are required to be mandatorily enrolled on the State Medical Register by the State Medical Council upon satisfaction of fulfillment of all the requirements by any applicant, for seeking such registration. Therefore, State Medical Councils are requested to enroll such medical practitioners on their Registers and thereafter communicate the information of such enrolment to the Medical Council of India in accordance with the provisions of the Indian Medical Council Act. 1956. In doing so, the State Medical Councils are advised to necessarily ensure following procedural checks before granting provisional/permanent registration:

(1) That the applicant who has gone abroad from 15.03.2002 to 14.05.2013 had obtained an Eligibility Certificate from the Medical Council of India. Further, those going abroad on or after 15 May 2013 conform to / fulfill all the norms laid down in the Graduate Medical Education Regulations, 1997 for admission in MBBS course:

NATIONAL BOARD OF EXAMINATIONS

(2) That the foreign medical qualification obtained by the applicant is recognized for enrolment as medical practitioner in that country and confirmation from the Indian Embassy has been obtained to the effect that the degree awarded by the foreign Medical Institution is recognized for enrolment an medical practitioner is that Country.

(3) That the applicant has qualified the Screening Test conducted by the National Board of Examination;

(4) That the primary medical qualification obtained by the applicant is either apostilled in accordance with the requirements of Hague Convention of 5 October 1961 Abolishing the Requirement of Legalization for Foreign Public Document (Apostille Convention) or are duly attested by the Indian Embassy of the foreign nation from which such qualification has been obtained:

(5) That the authenticity of 10+2 marksheet and certificate are verified from the concerned Board.

(6) That the caste certificate of Scheduled Caste/Scheduled Tribe/Other Backward Classes is verified in case relaxation of marks, as permitted under the MCI Regulations, is sought.

(7) in so far as grant of provisional registration under section 25(1) of the Indian Medical Council Act, 1956 is concerned, provision of Regulation 65 of MCI Regulations 2000, shall also be required to be complied with and which provides as under:

".....65. Provisional Registration. - The names of provisionally registered medical practitioners should be borne on a separate list maintained for the purpose and they shall not be included in the State Medical Registers, In order to have a uniform procedure by all State Medical Councils with regard to the list of provisionally registered medical practitioners under section 25, the certificate for provisional registration should be issued in the following proforms:-

Name of Persons :

Address :

Qualification :

Date of year of passing examination :

Name of College and University :

4. It may also be noted that the practice of granting direct registration by the Medical Council of India to the India citizens who have obtained primary medical qualifications from foreign countries would be stopped with effect from 01.03.2014 and with effect from such date no fresh application would be entertained by the Medical Council of India.

5. All the person, who have obtained primary medical qualifications from foreign country, are also advised to get their names enrolled on the State Medical Register so as to ensure that they are able to avail all the rights and privileges conferred upon by the Indian Medical Council Act, 1956.

6. In case of any clarification/difficulty the Council may be approached by the concerned State Medical Council for advice in the matter.

7. This is issued with the approved of the Competent Authority of the Council.

Yours faithfully,

(Ashok Kumar Harit)

Deputy Secretary (Admn.)

PUBLIC NOTICE

This is to inform to all concerned that the requirement of obtaining Eligibility Certificate to pursue Primary Medical Qualification (MBBS or its equivalent) by an Indian Citizen/Overseas Citizen of India is mandatory in terms of section 13(4B) of the Indian Medical Council Act, 1956. It is also brought to attention that the requirement of obtaining Eligibility Certificate was dispensed with by the Indian Medical Council (Amendment) First and Second Ordinance, 2013. However, with the lapse of the Indian Medical Council (Amendment) Second Ordinance, 2013, the requirement of obtaining Eligibility Certificate from the Medical Council of India stands revived w.e.f. 04.01.2014.

The Executive Committee of the Council has decided to restart issuance of Eligibility Certificate w.e.f the current Academic Year i.e 2016-2017.

Accordingly, public at large is hereby informed that in terms of Section 13(4B) of the Indian Medical Council Act, 1956 and Clause 4(2) of the Screening Test Regulation, 2002, an Indian National/Overseas Citizen of India who desires to take admission into MBBS or its equivalent course in a Medical University/Institution outside the country, is required to obtain Eligibility Certificate from the Medical Council of India, New Delhi before leaving the country. It is not permissible for holder of a primary medical qualification to appear in the Screening Test without obtaining an Eligibility Certificate from Medical Council of India.

Therefore, all the applicants who have taken and/or desire to take admission into MBBS or its equivalent course in a Medical University/Institution outside the country may apply for Eligibility Certificate to the Medical Council of India, New Delhi on the prescribed application Form No. 1 along with all relevant documents and fee. The said application form may be downloaded from the MCI website www.mciindia.org.
